

## Magazine and Journal Listings

Indian Hills Community College

### How to Use the Listing

The Library Periodical List indicates the holdings available at the Centerville and Ottumwa campus libraries, as well as those at the Advanced Technology Center, Aviation Department, and Horticulture Department. Titles available in the Ottumwa Library are designated by an (O) after the title. Similarly, the Centerville holdings are designated by the (C).

Periodicals are available in either paper (P) or microfilm (M) format. "Oversized" denotes periodicals which are shelved separately from other titles

There are two types of entries: open and closed. An open entry indicates a current subscription. A closed entry indicates a non-current subscription.

The following are examples of open and closed entries.

Notice the date for American Heritage ends in a (-), which indicates we are still receiving issues and American Historical Review has a closed date of 1986.
